

Please consider that you need to know the following information to have your items →

DELIVERED ON TIME, SAFELY AND IN THE MOST COST EFFECTIVE WAY.

Avoid Shipping your goods without knowing transportation and import restrictions

Insurance

Customs restrictions at destination

Transit times

Tax Waiver programs

Transportation restrictions at origin

Packing advice

Imports strategies for Temporary imports or Giveaways.

Using a courier may seem a good idea, but having your goods stuck in customs is time-consuming and expensive. You may need to pay extra fees and fines to clear them.

Exhibitions Cargo has a network in over **54 countries**. We are **specialized in the MICE industry**. We've been handling the entire shipping process for over **10 years**.
